

# CURRICULUM VITAE

(updated: 20.04.2015)

## 1.1 Biographical Data

**Name:** CHRISTOS A. GOGOS

**Date of Birth :** 07.08.1960

**Gender:** Male

**Nationality:** Greek

**Family:** Married, three children

**Main Address :** 24 Davlias Street, Vironas, 16231 Athens, Greece

**Business Telephone:** +(30) 213-216.30.21

**Home/Mobile Telephone:** +(30) 210-765.43.43  
+(30) 6944-413.412 (Mobile)

**Facsimile:** n/a

**Email:** neurocare.gogos60@gmail.com

## 1.2 Education

1972-1978: High school (16/20)

1981-1988: Medical School "La Sapienza", Rome, Italy. (95/110).

1989-1991: Experimental work for the PhD with title: "Il ruolo della surrenalectomia nella malattia di Cushing".

1.9.1999 - 31.12.1999: Fellowship in the Newcastle Neurosciences Centre.

16.02.2001: Qualified in the boards of the Greek Neurosurgical society approved by the European Society of Neurosurgeons.

2007 - 2008: EANS Spine Sub-Specialty Training - Opatija Croatia.

2008, 2009, 2010: World Spine Meeting in collaboration with Cleveland Clinic Hands-on Course - Cadaver Course on Spine.

## 2 Residency Training/Internship

03.09.1987 - 30.10.1987: Honorary SHO, Department of Neurosurgery, K.A.T. General Hospital, Athens, Greece.

28.9.1988 - 05.05.1989: Honorary SHO, Department of neurosurgery, Asklipeio Voulas General Hospital, Athens, Greece.

09.06.1989 - 09.01.1991: Medical non-commissioned officer, 251-General Air-Force Hospital, Athens, Greece.

- 1992 - 2001: Physician in Pan Office Insurance of Merchants.
- 1992 - Today: Physician in Foundation of Public Insurance Service.
- 1992 - 1994: SHO General Surgery, 251-General Air Force Hospital.
- 19.04.1994 - 17.10.1994: SHO Neurology NIMTS Army Veterans hospital.
- 18.10.1994 - 18.10.1996: Registrar in Neurosurgery NIMTS Army veterans hospital.
- 18.10.1997 - 17.04.1998: SHO in Orthopedics NIMTS Army veterans hospital.
- 18.04.1998- 18.11.1998: SHO in Thoracosurgery, NIMTS Army Veterans hospital.
- 14.10.1999 - 30.12.1999: Honorary Research Fellow in Neurosurgery, Newcastle General Hospital.

### 3 Clinical Appointments

- 01.01.2000 - 2008: Neurosurgeon in the Foundation of Public Insurance Service.
- 20.06.2001 - 31.12.2003: Consultant Neurosurgeon of YGEIA Hospital (approx. 250 beds).
- 23.03.2001 - 26.02.2003 Consultant Neurosurgeon and chief of the department. In Kentriki Clinic of Athens (120 beds).
- 26.02.03 – 31.12.2006: Consultant Neurosurgeon and chief of the department in Iatriko Athinon-Clinic of Psychiko (120 beds).
- 23.02.06 - 31.08.2011: Consultant Neurosurgeon in the 1st Nat. Public Hospital-Papadimitriou / Sismanogleio Hospital. Vice director of the NCH dept. (250 beds).
- 01.09.2011 - 30.10.2013: Consultant Neurosurgeon at Attikon University Hospital, 2nd Division (700 beds).
- 01.11.2013 - Today: Consultant Neurosurgeon at Asklipio Voula Hospital (400 beds).

### 4.1 Administrative Appointments

- 1992 - 2006: Medical Officer in European Union Insurances-Minetta.
- 1993 - 2006: Medical Officer, Association of Greek Professional Football Clubs (E.P.A.E-E.P.O).
- 1993 -1996: Responsible doctor in the Summer Camp for children.
- 1996-1997: President of the Council of doctors in training at N.I.M.T.S-Army Veterans hospital.
- 1.7.2001 - 22.9.2001: Responsible doctor in the summer camp of the ministry of Health.

OLYMPICS ATHENS 2004: Medical Venue Manager in the Olympic Stadium During the Olympic games.

#### 4.2 Academic Appointments

Since 2008: Visiting Professor-University of Crete, Heraklion - GREECE.

Since 2007: Visiting Professor School of Gymnastics - Kapodistriakon, Athens, Greece.

09.06.1989 Medical non-commissioned officer, 251-General Air-Force Hospital, Athens, Greece.

#### 5. Committees

1992 - Today: Athens Medical Council Reg. Number: 77211.

1994 - 2000: General Medical Council Reg. Number: 4129639.

1998 - Today: Greek Neurosurgical Society.

2003 - Today: Society in Sports Medicine.

2005 - 2012: ARGOS International - Spine.

2005 - Today: O.M.A. Group of the mielolesive patients. International protocol.

#### 6. Society Memberships

Since 1997: Greek Hypertension Society.

Since 1998: Greek Society of Professional Internists.

Since 1999: Greek Oncology Society.

Since 2000: Greek Neurosurgery Society.

Since 2008: President of the Greek Scientific committee of Olfactory Mucosa transplantation in Myelolesive patients.

## 7. Invited Lectures, Meetings, etc.

1. Strokes episodes of urgent intervention. 13th Congress of Army Forces - 1989.
2. Lateral approach for thoracolumbar lesions. Combined Meeting of Hellenic and Italian Neurosurgical Society, 1994.
3. The role of penetrating small artery in Surgical behavior disturbances in patients with AcoA aneurisms. 9th National Greek Neurosurgical Congress, Volos, 1995.
4. Lecturer in the post-graduate teaching programme of 251-General Air Force Hospital. 1991-1994.
5. Lecturer in the post-graduate teaching programme of NIMTS Army Veterans Hospital, Athens, 1995-1998.

## 8. Publications

1. "Laparoscopic implantation of abdominal-peritoneal drainage in hydrocephalus-case report" in Surgical Endoscopy. Vol. 8 Nud 5-1994, Kyoto, Japan. Alexiou G., Tzouras A., Antoniou P., Gogos C.
2. "Primary malignant Schwannoma Involving Simultaneously the right gasserian ganglion and the distal part of the right mandibular nerve". Case report - Journal of Neurosurgical Sciences. Vol. 41 n. 3, Sept. 1997. Tegos S., Polythodorakis I., Gogos C.
3. Monography: Il ruolo della surrenalectomia nella malattia di Cushing. C. Gogos. Edit. By E.D.U. 1991, Roma.
4. Percutaneous acrylic vertebroplasty: A New, promising, minimally invasive procedure for spinal problems. 03 case reports. G. Asithianakis 1, M. Torrens 1, S. Kallos 2, A. Kelekis 3, C. Gogos 1. Neurosurgical clinic "Hygeia" Hosp. Athens, 2.1st. Orth. Clinic "Ygeia", 3. University Hosp. Geneva, Switzerland.

## 9. Abstracts, Presentations

1. "Brain disorders with emergency character". XIII Congress of the Greek Army Medicine-Thessalonica 1989 - A. Tzouras, Ch. Toliás, Ch. Gogos, G. Tsaprounis.
2. "Lateral approach in the Thoracolumbar discectomy". Greek-Italian Union of the Neurosurgical Societies. Athens 1996, A. Tzouras - Ch. Gogos. Neurosurgical Dept. 251-Airforce Hosp.
3. The role of penetrating arteries with post-surgical disorders in the surgical treatment of MCA. 9th Panhellenic Neurosurgical Congress-Volos 1995, S. Tegos - Ch. Gogos - V. Sanidas - I. Polithodorakis.
4. Arnold-Chiari, with or without syringomyelia. The post surgical fibrosis and his treatment. S. Tegos - V. Pourni - Ch. Gogos- K. Kyriakopoulos - I. Polithodorakis, 12th Nat. Neurosurgical Congress - Delfi, 1998.
5. "The role of embolism in neuro oncology", K. Panagopoulos, A. Andreou, Ch. Stroglyos, Ch. Gogos, Neurosurgical dept. "YGEIA" hosp. 15th. Nat. Neurosurgical Congress, KOS 2001.
6. "Gangliocytoma of cella turcica in a patient with acromegaly" - 6th National Conference of Anatomopathology, 21-24/5/1998-Alexandroupoli, Greece - Mourouti G., Kontogiorgos G., Tsoupaki El., Gogos Ch., N.I.M.T.S Army Veterans Hosp.
7. "Spondyloplasty. A new minimal invasive method in Spinal diseases." Cases

- presentation. G. Asithianakis, M. Torrens, S. Kallos, A. Kelekis, Ch. Gogos - 16th Neurosurgical Congress Ioannina 2002.
8. "Trigeminal neuralgia and pathology of the CP angle." Treatment. N. Mixalainas, B. Moraitis, C. Gogos, K. Kyriakopoulos, S. Tegos - 16th Neurosurgical Congress Ioannina 2002.
  9. "Endoscopic Neurosurgery in Paediatrics." S. Poulas, K. Panagopoulos, C. Gogos - Iatriko Athinon 2003
  10. "Lipids like prognostic factor in benign tumors of the CNS" - 14th National Congress in Lipidology, 2011 - CARAVEL - Athens-Greece.

## 10. Ongoing Research

- |              |   |
|--------------|---|
| 2015 - Today | Development of innovative business clusters-one product, one market: The planet-pilot phase of function, protocol No.6737/31.05.12 (www.gsrt.gr). In collaboration with "DIMOKRITOS" Research Center. |
| 2013 - Today | Post Market Non-Inferiority Study Comparing Triojection® to Discectomy for Lumbar Disc Herniation   |
|              | Sponsor and Manufacturer:<br>Minimus Spine, Inc.<br>12885 Research Blvd, Suite 210A<br>Austin, TX 78750   |
|              | Contact Information:<br>David M. Hooper, PhD.<br>President and CEO<br>Phone: 512-619-4855<br>Email: david@minimusspine.com  |
| 2006 - Today | Olfactory Mucosa Autografts in Spinal Cord Injuries, a multicentric study guided by the Portuguese team – Egaz Moniz-Lisboa. OMA-Greek group (Gogos et.al).   |

## 11. Continuing Medical Education

1. Participation in post-doctoral courses of Hellenic Neurosurgical Society, since 1987.
2. Lecture and hands on seminar of Intracranial Doppler Studies in 1987. Neurosurgery department - Pescara General hospital-Italy. Dir. pf. Piergiorgio Caciagli.
3. MIDAS-REX. Hands-on Workshop "Modern Dissection Techniques of Bone, Biometals and Bioplastics, 1998.Thessaloniki-Makedonia-Greece.Executive Vice President of education, Michael W. Vail, PhD.
4. Aesculap: Hands on Workshops . Translabyrinthine, transcoclear. Skull base Microanatomy Workshop. Prof Takanori Fukushima 24.11.2000. Thessaloniki, Greece.
5. 17.-20.5.2001: 3rd International Hydrocephalus workshop. KOS 2001. E.N.CH.& Medical college of Virginia, VA Commonwealth University, USA.
6. 8.-11.11.2002: Trainer in the Panhellenic convent of the Physiotherapists- Goudi-Athens, with subject: "Functional stabilization of the Lumbar.
7. 29.8.2003 - 31.8.2003: KEY-HOLE concept in Neurosurgery. Minimally invasive techniques with practical training. Trainer: A. Perneczky.

8. 2003 - 2004: Official Lecturer in the University of Athens.
9. 2005 - 2006: Training in the O.M.A. patients and homologous transplantation of stem cells. Group of Hosp. Egaz - Moniz, C. LIMA.
10. 2007: A-lief-KLINIEK VOOR NEUROCHIRURGIE- GHENT, Dir. Prof. J. Caemaert.
11. 2009: UNIVERSITY of SAARLAND -GERMANY: Cervical Disk bioabsorbable plaque. Prof. W. Steudel.

## 12. Awards & Prices

04.06.2006 1st Award in the 32nd Annual meeting of Spine - "N. Giannestras - P. Smirnis" - 4. June 2006 – Killini, Greece.

## 13. Languages

Greek (Native Language)

English (Lower Regency, 1976)

Italian (Teaching Level, 1992)

## 14. Round Tables - Lab Directions

7-9/05/2010 : ORGANIZING COMMITTEE IN SANTORINI WORLD SPINE V & WORLD SPINE 2010 hands-on course.

10-14/05/2010 : Lab faculty in Larissa - Hands on course.- WORLD SPINE 2010.

July 25<sup>th</sup>-August 1<sup>st</sup>,2008 EUROPEAN SPINE REVIEW & HANDS ON CADAVER COURSE  
Dept of Traumatology and Orthopedics - Crete in collaboration with CLEVELAND CLINIC.

2008 Assistant Lab. Director - Cleveland Clinic during "European Spine Review & Hands on Cadavers".

## 15. Referees (at the time)

1. Mr. R.P.SENGUPTA F.R.C.S, F.R.C.SE, Msc 1999-2002.  
Consultant Neurosurgeon and Head of Department  
Regional Neurosciences Center  
Newcastle General Hospital  
Westgate Road Newcastle Upon Tyne NE4 6BE  
Tel.: ++441912738811 ext.22448
2. ARGYRIS G. TZOURAS M.D.  
Consultant Neurosurgeon- Brigadier General of Air Forces Greece.  
251- Air Force General hospital  
ex. fellow Harvard Medical School-Massachusetts General hospital.  
Tel.: ++(30)-210.77.98.869 ++(30)-210.77.87.285

3. KANARIS PANAGOPOULOS M.D.  
Consultant Neurosurgeon  
Head of the Department in Childrens hospital Ag,Sofia.  
ex.senior Registrar-Neurosurgery Department-Newcastle General hospital  
ex.fellow Harvard Medical School-Massachoussets general hospital.  
Tel.: ++ (30)-210.68.69.440
4. LEONELLO TACCONI M.D. 1999-2002.  
Consultant Neurosurgeon  
Neurosurgery Clinic Newcastle General Hospital  
Tel.: ++1912738811 ext.29052

## 16. Executive Summary

I have been trained with full exposure in a wide range of elective and emergency neurosurgical patients, together with emergency neurology patients and also looking after the H.D.U. and the I.T.U. relevant to neurosurgical cases.

I can participate actively and competently in the entire spectrum of diagnostic methods and more generally in the medical procedures and surgical operations provided by the Hellenic Ministry of Health and the programmes have the required educational directory from the European Community.

## 17. Career Plan

1. During the past years, I have been trained in spine disorders (Key-Hole Procedures, Endoscopic, OARM).
2. I have a special interest in the treatment of "Olfactory Mucosa Auto transplantation in Spinal Cord Injuries " I am member of these OMA-groups representing GREECE and being as President of the scientific committee.
